

Michael Scott Hisey, MD

<u>Education:</u>	<u>Major</u>	<u>Degree</u>	<u>Dates</u>
University of Colorado, Boulder	Mechanical Engineering		9/79 - 6/81
California Institute of Technology	Mechanical Engineering	BS	9/81 - 3/83
University of California, Berkeley	Biomechanical Engineering		9/83 - 12/84
University of California, San Diego	Bioengineering		9/87 - 9/88
University of California, San Diego	Medicine	MD	9/88 - 6/92

<u>Post Graduate:</u>	<u>Department</u>	<u>Dates</u>
Albert Einstein Medical Center	Surgery	7/92 - 6/94
Albert Einstein Medical Center Philadelphia, PA	Orthopaedic Surgery	7/94 - 6/98
University Clinic for Traumatology, Innsbruck, Austria	AO Trauma Fellowship	9/97
Texas Back Institute Plano, Texas	Spine Surgery Fellowship	8/98 - 7/99

Faculty Appointment: Clinical Assistant Professor of Orthopaedic Surgery, University of North Texas Health Sciences Center

- Certifications:**
- Board Certified, American Board of Orthopaedic Surgeons
 - Board Certified, American Board of Spinal Surgery

Memberships:

- Fellow, American Academy of Orthopaedic Surgeons
- Fellow, North American Spine Society
- Member, Texas Spine Society
- Member, Denton County Medical Society
- Member, Texas Medical Association

Honors:

Industrial Liaison Fellow - UCSD, 1987
Mary Ann E. Keenan Research Award, 1995
Mary Ann E. Keenan Research Award, 1997

**Research Projects,
Publications,
Presentations,
Papers:**

- Hisey, M.S., Botte, M.J., "Epidemiological Analysis of the Orthopaedic Sequelae of Meningococemia" UCSD School of Medicine Independent Study Project, 1992
- Hisey, M.S., Tuckman, A., Fleming, L., Puglisi, A., "Talar Translation in Normal Subjects", Presented at 1995 Albert Einstein Medical Center resident research competition, Winner First Prize, Presented at Philadelphia AOA Traveling Fellows' Conference, October 12, 1996, Presented at the 1997 Combined Japanese and American Orthopaedic Foot and Ankle Society, Kamuela, Hawaii.
- Hisey, M.S., Davidson, R.S., "The Acetabular Angle - Normal Parameters in Juveniles and a Comparison to the Acetabular Index" Presented at 1996 Shriners Hospitals Research Conference, Philadelphia, PA, Presented at 1997 Albert Einstein Medical Center resident research competition, Winner First Prize
- Hisey, M.S., Keenan, M.A., Orthopaedic Management of the Upper Extremity after Stroke or Brain Injury, In Green, D.P. Operative Hand Surgery, 4th Edition, 1998
- Salvo, J.P., Hisey, M.S., Lazarus, M.D., "Diagnosing a Bankart Lesion by the Glenohumeral Load and Shift Test" Presented at 1997 Albert Einstein Medical Center institutional research competition, Presented at 1997 Albert Einstein Medical Center resident research competition
- Hisey, M.S., "Impaction Grafting Technique used in the Management of Bone Loss in Total Hip Arthroplasty", Wyeth-Ayerst Laboratories AAOS Resident Reporter Program, 1997
- Hisey, M.S., Liebenberg, R.E., "The Effects of Patient Positioning when External Landmarks are used to Evaluate Acetabular Cup Position" presented at the 1998 Albert Einstein Medical Center resident research competition.
- Hisey, M.S., "Biomechanics of Internal Fixation of the Spine" Texas Back Institute Neuroscience Conference, September 11, 1998.
- Hisey, M.S., "Thoracic Disc Disease" Texas Back Institute Neuroscience Conference, December 18, 1998.

- Hisey, M.S., "Infections and Complications in Spine Surgery" Texas Back Institute Neuroscience Conference, March 12, 1999.
- Hisey, M.S., "Pediatric Scoliosis" Texas Back Institute Neuroscience Conference, May 21, 1999.
- Hisey, M.S., Blumenthal, S.L., Regan, J.J., Ohnmeiss, D.D., Guyer, R.D., Zigler, J.E., Hochschuler, S.H., "Long Term Survivability of Threaded Cages as a Stand-Alone Device" Texas Back Institute Neuroscience Conference, July 30, 1999, Presented at the North American Spine Society Symposium November 22, 1999
- Hisey, M.S. "How to Make an Effective PowerPoint Presentation", Presented at the North American Spine Society Symposium on Information Technology, Chicago, IL, November 23, 1999
- Faculty: 12th Annual Ski With the Spine Center Conference, Whistler, BC, January 15-21, 2000
- "Ask the Expert" consultant on "Back Health" to www.accenthealth.com, February 7 –11, 2000 (see <http://community.accenthealth.com/eshare/server?action=130&board=29&article=%0A0&expand=1>)
- Consultant to Spinal Concepts, Inc., Appeared before FDA PDA evaluation panel February 18, 2000
- Hochschuler, S., Guyer, R., Zigler, J., Hisey, M.S., Ahrens, J., Hooper, D., "Clinical Trial of Interbody Fusion Cages: InFix vs. BAK" Neuroscience Conference May, 2000
- Hisey, M.S., Bash, J., Ohnmels, D., "Is Early Disc Reherniation Associated with the Use of ADCON-L®?" Presented ASIA Meeting Long Beach, CA May 18, 2001
- Hisey, M.S. "Internet and Spine: an E-Commerce Update", Presented at the North American Spine Society Symposium on Information Technology New Orleans, LA, October 27, 2000
- Hisey, M.S. "The Argument for the Use of an Electronic Medical Record", Presented at the North American Spine Society Symposium on Information Technology Seattle, WA, November 4, 2001
