EMPLOYMENT:

Highland Clinic, APMC  
1455 E. Bert Kouns  
Shreveport, LA 71105  
August 18, 2008 to Present

My practice is confined to elective spinal surgery, primarily adult degenerative spine reconstruction. I am experienced in anterior and posterior decompression and fusion techniques in the cervical and lumbar spine. I have an interest in posterior lumbar minimally invasive techniques as well as lateral access lumbar fusion surgery.
